#### 1. Say Goodnight – Brahms Lullaby

Say good night, for the light  
The daytime is gone  
The moon will be bright  
While you slumber through the night  
Every star in the sky  
Is a sweet lullaby  
You can hear low but clear  
When the sand man is near

A cloud will be there  
To pillow your head  
With the angels watching o're  
In your soft downey bed  
Til the grey break of day  
In a dream you will play  
In a grand Fairyland  
In the sky far away  
In the sky far away

#### 2. When You Wish Upon a Star

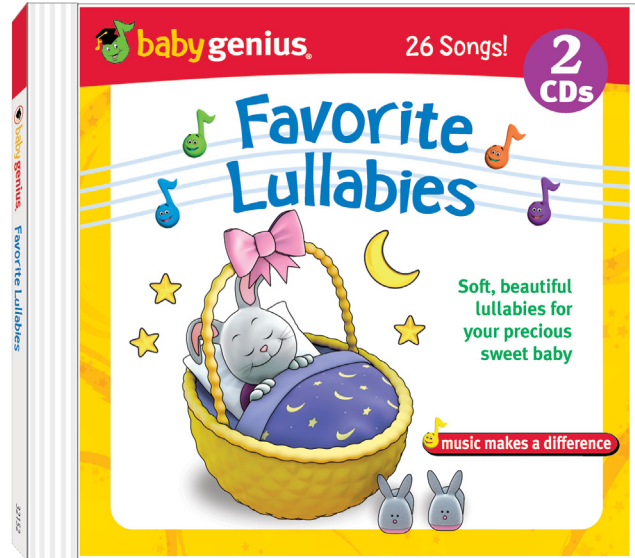

When a star is born  
They possess a gift or two  
One of them makes this  
They have the power to make a wish come true

When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
Will come to you

If your heart is in your dream  
No request is too extreme  
When you wish upon a star  
As dreamers do

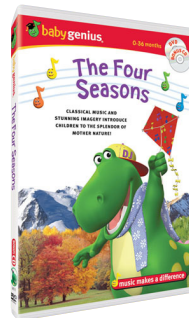

Fate is kind  
She brings to those who love  
The sweet fulfillment of  
Their secret longing

Like a bolt out of the blue  
Fate steps in and sees you through  
When you wish upon a star  
Your dreams come true

### 3. Scarborough Fair

Are you going to Scarborough Fair?  
Parsley, sage, rosemary and thyme  
Remember me to one who lives there  
Once she was a true love of mine

Have her find me an acre of land  
Parsley, sage, rosemary and thyme  
Between the sea foam and over the sand  
Then she'll be a true love of mine

If she tells me she can't, I'll reply  
Parsley, sage, rosemary and thyme  
Let me know that at least she will try  
Then she'll be a true love of mine

Dear, when thou has finished thy task  
Parsley, sage, rosemary and thyme  
Come to me, my hand for to ask  
Thou then art a true love of mine

### 6. Whispering Lullaby

The moon high, and it's time for a baby's lullaby  
The night is here, the whisper of dreamtime drawing near  
Whispering lullaby, whispering lullaby  
Go to sleep

The crickets sing and the air is still  
The fireflies dance on the window sill  
You're safe and warm lying in your bed  
With nice soft pillows to rest your head  
Whispering lullaby, whispering lullaby  
Got to sleep

When you fall asleep to the nighttime sound  
You don't have to fear 'cause I'll be around  
To whisper lullaby, whispering lullaby  
Go to sleep

### 7. Dreaming In Aire – J.S. Bach

Instrumental

### 8. Little Angel

Now close your eyes and let your mind go dreaming  
While the angel voices call you to sleep  
And peaceful slumber you may find the meaning  
To the endless dreams you keep  
I'll be holding you forever little angel  
Your warm and safe and close little angel

Just feel the love you know inside  
Look into your heart and see  
You're safe because my love is all around you  
And each breath you take will lull you along  
Just go to sleep there's nothing here to harm you  
Go to sleep now day is done

We'll keep clouds of white surround you  
You're floating through the sky  
Stars shine their beams around you  
You're lighting up the night  
Moonlight casts its glow into your eyes  
And voices of love are filling your mind

Let go and let the sleepy night enfold  
And gaze into the eyes of one who knows you  
Just sleep in peaceful dreams tonight  
Bathing in the warmth of the light  
Close your eyes and soon you will be dreaming  
Little angel sleep in peace.

### 9. Somewhere Over the Rainbow

Some day I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Way above the chimney tops  
That's where you'll find me  
Somewhere over the rainbow  
Way up high  
There's a land that I've heard of  
Once in a lullaby  
Somewhere over the rainbow  
Skies are blue  
And the dreams that you dare to dream  
Really do come true  
Some day I'll wish upon a star  
And wake up where the clouds are far behind me  
When troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me  
Somewhere over the rainbow bluebirds fly  
If birds can fly over the rainbow  
Why then, oh why can't I?  
When troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me  
Somewhere over the rainbow  
Bluebirds fly  
If birds can fly over the rainbow  
Why then, oh why can't I?  
If happy bluebirds fly beyond the rainbow  
Why can't I?

## 12. Little One I Love You

Come and sit down by my side  
Just like when you were a child  
I'll tell you my favorite memory  
When I tuck in the bed  
You wrap your arms around my neck  
And I'd whisper as you drifted off to sleep.

Little one I love you  
Farther than my arms can reach  
From the tip of your nose down to your toes  
And higher than the highest tree

Little one I love you  
More than all the flowers that bloom  
More than oceans combined  
And stars in the sky  
I love you to the moon.

Now the years they pass so fast  
I wish childhood days could last  
And I pray for every challenge that you'll meet  
I see my grandchild in your arms  
I know you'll keep him safe and warm  
And I smile as I hear your words repeat

Little one I love you  
Farther than my arms can reach  
From the tip of your nose to your ten perfect toes  
And higher than the highest trees,

Little one I love you  
More than all the flowers that bloom  
More than oceans combined  
And stars in the sky  
I love you to the moon, I love you to the moon

There's so much time waits to show us  
We don't miss the years till they fade  
We close our eyes and time rolls by  
If we don't slow down to say...

Little one I love you  
Farther than my arms can reach  
From the tip of your nose down to your toes  
And higher than the highest tree

Little one I love you  
More than all the flowers that bloom  
More than oceans combined  
And stars in the sky, I love you to the moon.  
Yes, I love you to the moon, I love you to the moon ...  
and back

## 14. Rock-A-Bye Baby

Rock a bye baby  
On the tree top  
When the wind blows  
The cradle will rock  
When the bough breaks  
The cradle will fall  
And down will come baby  
Cradle and all

Repeat
