3. Fingerpainting Fun

It's fingerpainting fun
It's fingerpainting fun
It's fingerpainting fun
It's fingerpainting fun

Take a color and make your day brighter
A splash of color will make you feel lighter
Come along and you will see
What you can do with your hands and feet

Paint an elephant paint a flower
A dragon guarding a princess in a tower
Fingerpainting is the key
To setting your ideas free

It's fingerpainting fun,
It's fingerpainting fun
You can paint a rainbow with your thumb
A gazillion colors to choose from
Use your fingers, use your toes
And imagination grows and grows

You can paint anything you can imagine
A car, a dog, a tree
Create your own work of art

It's fingerpainting fun (repeat)

4. Boom, Boom, Ain't It Great to be Crazy?

Boom, boom, ain't it great to be crazy?
Boom, boom, ain't it great to be crazy?
Giddy and foolish the whole day through
Boom, boom, ain't it great to be crazy
Way down South where bananas grow
A bee stepped on an elephant's toe
The elephant cried, with tears in his eyes
"Why don't you pick on someone your size?"
Boom, boom, ain't it great to be crazy?
Boom, boom, ain't it great to be crazy?
Giddy and foolish the whole day through
Boom, boom, ain't it great to be crazy
Way up North where there's ice and snow
There lived a penguin and his name was Joe
He got so tired of black and white
He wore pink slacks to the dance last night!

Boom, boom, ain't it great to be crazy?
Boom, boom, ain't it great to be crazy?
Giddy and foolish the whole day through
Boom, boom, ain't it great to be crazy (Repeat)

6. Swing

Hey, here I go
Starting out slow
But every minute I'm higher
Pumping my knees
Feeling the breeze
Over the trees, I'm a flyer now

Swinging, swinging
Sweet and high and free
Feel like singing
That is where I long to be
To and then fro
High and then low
Just like a cloud that I'm riding
Up in the air
Without a care
Watching the world
As I'm gliding high.

I love to play with my tea set

Fly a red balloon
Drive a fast car, all before noon
Cops and robbers, kings and pirates
To pretending's what I do
I'll jump and skip, play magic tricks
Even play drums with candle sticks
Build a boat and sail the ocean

When the sun peeps over the mountain tops
And lights up the sky, and it never stops
I open my eyes and say, it's a brand new day

It's OK. It just keeps getting better every day

You can be anything that you want to be
It's in your heart, if you just be me
Open your eyes and see possibilities
Brand new day, it's OK
New worlds of opportunities
All right day or night
No matter what the weather
Everything looks better. Brand new day

See the light on your horizon
And feel the tide is rising
But when your stock is falling
Tomorrow's promise is coming
Brand new day, come on and play
There's a whole new way of feeling about life
About love, everything is better
Just keeps getting better every day

Brand new day, come on and play

About life, about love, everything is better
Just keeps getting better everyday
Come on shout hurray! It's a brand new day!

3. Clementine

In a cavern, in a canyon
Excavating for a dime
Lived a miner, forty-niner
And his daughter Clementine

Chorus:
Oh my darling, oh my darling
Oh my darling, Clementine
You are lost and gone forever
Dreadful sorry, Clementine

Light she was and like a fairy
And her shoes were number nine
Herring boxes without topses
Sandals were for Clementine
Chorus

How I missed her, how I missed
How I missed my Clementine
But I kissed her little sister
And forgot my Clementine
Chorus

In the spirit of America
Where we love our red, white and blue
Land of beauty, land of plenty
We will honor you

Children of this land of plenty
Let's all join our hands
All unite and shine our light
All across this land

In the spirit of America
Where we love our red, white and blue
Land of beauty, land of plenty
We will honor you

Freedom is our one true passport
All our dreams take flight
Where the road bends
We'll make new friends
Each one shining bright

In the spirit of America
Where we love our red, white and blue
Land of beauty, land of plenty
We will honor you, we will honor you

5. The Yellow Rose of Texas

There's a Yellow Rose of Texas
That I am going to see
No other fellow knows her
No other, only me
She cried so when I left her
It almost broke my heart
And if I ever find her
We never more will part

She's the sweetest rose in color
A feller ever knew
Her eyes are bright like diamonds
They sparkle like the dew
You may talk about your dearest May
And sing of Rosalie
But the Yellow Rose of Texas
Beats the belles of Tennessee

Now I'm going to find her
For my heart is full of woe
And we'll sing this song together
That we sang so long ago
We'll play the banjo gaily
And we'll sing this song of yore
And the Yellow Rose of Texas
Shall be mine forever more.

6. Big Rock Candy Mountain

On a summer day in the month of May
A burley man came hiking
Down a shady lane through the sugar cane
He was looking for his liking

As he roamed along he sang a song
Of the land of milk and honey
Where a bum can stay for many-a day
And he won't need any money

Oh, the buzzing of the bees in the jelly bean trees
Near the soda water fountain
At the lemonade springs where the bluebird sings
In the Big Rock Candy Mountain

7. Bill Bailey

Won't you come home Bill Bailey?
Won't you come home?
She moans the whole day long
I'll do the cooking darling

I throw you out
With nothing but a fine toothed comb

I know I'm to blame
Well ain't that a shame Bill Bailey
Won't you please come home?

Her name is Sal,
Fifteen miles on the Erie Canal.
She's a good old worker
And a good old pal,
Fifteen miles on the Erie Canal.

Filled with lumber, coal and hay
And we know ev'ry inch of the way we go
From Albany to Buffalo.

You'll always know your pal,
If you've ever navigated
On the Erie Canal.

Oh, give me a home where the buffalo roam
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day

Home, home on the range
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day

Where the air is so pure, and the zephyrs so free
The breezes so balmy and light
That I would not exchange my home on the range
For all of the cities so bright

With the light from the glittering stars
Have I stood there amazed and asked as I gazed
If their glory exceeds that of ours
