It followed her to school one day
School one day, school one day
It followed her to school
Which was against the rules

It made the children laugh and play
Laugh and play, laugh and play
It made the children laugh and play
To see a lamb at school

And so the teacher turned it out
Turned it out, turned it out
And so the teacher turned it out
But still it lingered near

It waited patient there about
There about, there about
It waited patient there about
Til Mary did appear

Why does the lamb love Mary so
Mary so, Mary so
Why does the lamb love Mary so
The eager children cry
